WETIN MEK PIPUL DÈM KIN MÈMBA FO TEIK DÈN YONE LYFE?

Yu kin anbog fo no sae porsin klose to you wan fo teik in yone lyfe. If you biliv sae sombodi dae memba fo teik in yone lyfe, dat kin mek you panik or nor kin lek fo de memba dat. Pipul den wae de memba fo kil dem sef kin oltem. Den kin fil sae porsin nor dae fo ep dem or fo no de payn wae den de pan. Wae den nor kin aybul si oda wae fo put den payn don, i kin tan lek de onli tin fo du. Somtem dae, pipul dem wae kin wan teik den yone lyfe kin kol. Yu fo no sae dis min borku oda tin, lek wae den set mot pan de plan fo teik den lyfe. De big tin fo memba na dat wae porsin nor de to insef or wae den de sho sayn wae kin bryng konsan, you nid fo chesk.

Lek oltem, borku tin dem responsibul. De tin den wae de sho sayn na dem wan ya:

- Wae porsin in lyfe anbog big big wan, lek wae you porsin dye, you los woke or moni), wae you pat kópin wit you pikin dem (man or uman lef you, you fayl na skuul or usai you de lan, you nor get promotion usai you de woke) or kres sik.
- Porsin wae de sho sae i don chayng, i de don oltem, pwel hat en kip to insef, tok lek i nor get ope, nor get ep or de luuk low pan insef, nor de kip insef fayn en nor de komot fayn, i de draw draw dye tin dem wae i de memba, stori, syng syng, de tel pipul bi bi or de gi wae in tin dem, de du den bad bad tin dem wae go anbog am.

If you go lek posin fo intaprit fo you, kol (TIS) pan dis nomba **13 14 50**

WETIN YU KIN DU FO ßP?

Borku pipul wae kin memba fo kin den sef kin don wit de wahala. Dat na de ep en bato wae fambul, padi, masta sabi pipul dem kin gi en kin fayn. Den tin ya kin ep you no wetin fo du.

1. Yu fo du somtin naw naw

If you worry sae porsin nia you de memba fo teik in yone lyfe, you fo du somtin kwik. Nor tink sae den go du fayn wae porsin nor ep or den go fen ep fo densef. Wae you du somtin naw kin sayv den lyfe.

2. Yu fo no wetin yu de du

You feel kin bi panik; or you mek lek you nor si en ope sae olten go don. or luuk fo wae fo mek de porsin wel kwik.

Den tin ya kin apun oltem. If you si sae you de fènam at, aks padi wae you tres fo ep.

3. Yu fo always dae fo dem

Spend somtem wit de porsin en sho dem kia en atension. Aks dem aw den fil en lisin to wetin dae na den mynd. Lef dem fo du de tok tok. Yu kin aybul du somtin bot problem wae you tok bot am.

4. Aks if den dae memba fo kil den sef

De wan wae you go no if porsin de memba fo kil insef na wae you aks. Som pipul kin fil fayn wae you aks dem bot aw den de fil. Aks aks kin at somtem dae, bot kin sho sae you notis somtin, you don de lisin, de sho sae you kia en den nor lef to den sef. Wae ina de tok bot wae porsin de teik in yone lyfe nor go put dat na den ed, bot dat go get dem fo tok bot aw den fil. You nor fo kip da plan wae den plan fo kil den sef to you en den normo.

5. Yu fo chek if den de du wel

If porsin de memba fo kil insef, i fayn fo no aw long den don dae tink bot dat. Yu kin aks bot den wan ya so:

- Den don memba bot aw en oustem den plan fo kin den sef?
- Den get wetin den go yuse fo kil den sef?
- Wich kayn ep den go get fo tap dem?
- Aw you go ep dem kam nia fambul, padi, dog en kat wae den dae men na ose, dadi God in wod, aw den sef kin bia?

Wae you worry pasmak, nor lef de porsin to insef. Pool wetin eva den kin yuse fo kin den sef lek ayen ayen, mèresin, rom en drog, en motoka bak.

6. Memba wetin fo du

Enti you don get de nyus wae you nid fo tok bot wetin en wetin you get fo du. Yu kin aks oda pipul dem fo ep you tok to dem fo si masta sabi porsin - or du wetin go kip dem fayn fos. Dis kin get fo du wit den man or uman, mama en papa, or den guud guud padi dem. Na wae you tok bot dis to oda pipul dem kin mek de porsin get de ep en bato wae den nid.

7. Du somtin

Tok to de porsin fo get ep from borku oda masta sabi pipul dem. Ep always de to den wan ya so:

- Yu GP (dat nay u dokta)
- Den wan wae kin tok to wi bot wetin wi de pas na lyfe, bot wi lyfe na ol stayg
- Den wan wae kin tok to pikin den na skuul, den wan wae de biffo pan yute man biznes
- Den wan fo kol fo den ogent tin lek polis man en ambulans
- Den wel hade sai dem
- Kominiti Heit senta
- God porsin lek fada, pastor
- Den telefonie sai den fo tok to pipul den lek lyfelayn en da sai fo ep pikin dem.

Wae de porsin grie fo tel udat i lek, ep dem wit wetin den fo tok. Yu kin ivin go wit de porsin usai i get fo go. Wae i komot usai i go, chek fo no if den tok bot wae i wan kil insef en aks fo no de ep wae den get. ep dem fo fala wetin den sae fo du.
