

Grover Cleveland Wilcher - Class of 1953

My most vivid Southeast memory is when I received the Knights Memorial Award for 1953.

Southeast Memories

I remember these teachers and classes:

- Annebelle Shouse - English
- John Laury - Chemistry
- Jess Cross - Gym and Track Coach
- Byrle Adams - Basketball Coach

School activities I enjoyed included football, basketball and track. I was President of my Junior and Senior Classes and served on the All-City Student Council.

During high school, our family lived at 7224 Olive. I have three sisters and a brother who all graduated from Southeast:

- Mary Wilcher - Sister - SE'45
- Edith Wilcher - Sister - SE'46
- Marjorie Wilcher - Sister - SE'48
- Robert Lee Wilcher - Brother - SE'49

Although it had no perceived impact on my life at Southeast, I remember the Flood of 1951.

My hobbies included playing sports in the neighborhood and girls. I worked summers throughout SEHS and college years moving furniture for Cartwright Van Lines.

After Graduation

- 1st Semester - Kansas University; Freshman Basketball
- 2nd Semester - Westminster College; Basketball and Track

- Junior and Senior Years - Colorado University; Graduated 1957; Same year married Sande Carpenter (Paseo High School and Miss Prom 1953)
- 1959-1961 - US Army in Germany

Professionally, I am a lawyer.

A Message to Other Southeast Graduates

- Secure and keep and live in your daily lives your religious faith.
- Set goals in all spectrums of life, and work hard to achieve them.
- Be humble.
