

The best and fastest way to develop our young children into intelligent human beings is by teaching them to read. Instilling a love of reading promotes a lifetime of learning and enjoyment. Reading with your children is a great and memorable bonding time for you and your child. Join us in celebrating reading all month!

PIONEER PARK CIVIC CENTER

This is a free event and everyone is welcome! Keep your kids from being bored this summer, and find cool stuff for them to do this summer! The Interior offers lots of fun camps, sports, and programs for all ages! The Summer Activity Fair makes it easy for parents and kids to learn about all the Interior's summer activities by bringing organizations to one convenient spot so you can ask questions, get brochures, participate in hands-on activities, and even sign your kids up on the spot!

APRIL'S THEMES INCLUDE:
BUGS, GARDENS
& EASTER (PARTY 18TH)

It is warming up and we are outside - this month is forecasting a good chance of mud!
