Emerald Fire was foaled in 1987. He was sired by Smith's Ginger, a son of Thunder, and a grandson of Tobe. He is a beautiful chestnut stallion standing 15.1. Emerald is a 3 time MPHA World Champion Male Halter horse, and a past World Champion Male Performance. He is the sire of the 2004 World Champion Female Performance, Dolly's Mountain Music, and has passed his wonderful gait, disposition, and conformation to his other offspring.

Emerald Fire has quite a following in the Mountain Horse world. He has made numerous appearances in parades, exhibitions, and shows under saddle. However, his most notable recognition has come from his appearance in harness. Whether pulling an elegant doctor's buggy or a fringed top surrey, he exhibits the top appeal which the Mountain Pleasure Horse is renowned.

ROMEO'S GOLD

Romeo is a striking young palomino stallion with some of the oldest bloodlines in the Mountain Horse world. He is sired by Bryar's Romeo (by Cables Rex) and out of A Piece of Gold (by Goldfinger). His excellent gait and temperament are reflections of the old time traits which the Mountain horse was founded on. He will stand to a limited number of mares.
