

Angeldeer Learning Center Pre-Registration Form

ALC is accepting early registration and commitment for the fall school year starting July 1. Pre-registration will guarantee your child a spot at the Learning Center. The early fee is \$95, a discount of \$25. If you are early registering two children the cost will be \$85 a child.

The weekly fee is \$135 and due on Mondays by close of the day. There are 52 payments due as this is an all year school for pre-schoolers. ALC will follow the Hanover school schedule for snow days, Christmas break, and spring break.

Parents are still responsible for filling out the rest of the registration papers and providing the center with an updated physical form for each child. All paperwork is due before the first day or during open house.

The dress code for the program is solid blue color shirts, khaki bottoms no halter tops and no flip flop shoes. We would like our children to focus on education and not the clothes.
