<u>INTERNET USE POLICY</u> Center Christian Academy provides internet access to teachers and students for the purpose of supporting the teaching, learning, and administrative functions of the school. The rules governing use of the internet are as follows: <ul style="list-style-type: none">• Students are NOT allowed to use the internet unsupervised; they must have the authorization of a staff member.• Students are only allowed to use the internet for activities specifically assigned by a teacher.• Technical measures (internet blocking software) are employed by the school to help prevent access of inappropriate websites. Students are not allowed to circumvent these measures. However, no software can fully protect our staff and students from unapproved/unauthorized use and inappropriate sites/content on the internet.• Students are not allowed to use the internet for personal browsing or email, chatting, blogging, tweeting, instant messaging, disclosing personal information, games, shopping, or for transferring music, movies, software, or any other recreational use.• Students in grades 9-12 who use a personal laptop at school may NOT access the internet without teacher authorization.• If a student becomes aware that the above rules are being violated or that a computer appears to have accessed or is able to access inappropriate sites, the student must immediately report this activity to a staff member.
