## Home Depot Grant Now open for 2020

The 2020 Home Depot Post Grant is now open for needed repairs to your Post home. There are detailed instructions on how to fill out the application on our State website [vfwaz.com](http://vfwaz.com) under “Resources/Reports & Forms” then scroll down to “Home Depot Grant Guide 2020”. There is also a budget example that will show you how to create a budget spreadsheet that will be needed by Home Depot. When submitting requests for supplies, it is suggested that you use Home Depot’s name brand products as much as possible.

### VFW National Convention, Reno, NV

121st VFW National Convention housing will officially open Feb. 18, 2020. Housing reservation information will be located on the convention website accessed through the VFW website at [vfw.org/convention](http://vfw.org/convention). The convention website will also have general convention information including the registration form and links to other convention related information for Reno, Nevada, July 18-23, 2020, including a tentative agenda. Please note the convention is one day longer beginning in 2020.

### Electronic Bingo at Posts

There are VFW Posts that have the bingo machines installed in their canteens and they seem to be helping the Posts assist veterans, as they strive to raise funds for their charitable activities. The Dept. of AZ VFW does not approve nor disapprove the use of the “Bingo Machines”, we only insist that the Posts follow local, state and federal law. It is totally up to the Post membership. For questions and more info go to the “Lynxx Gaming” website.

# **LIGHTNING - VIPER LEGEND**

**Luke Days is scheduled for March 21-22, 2020.** The U.S. Air Force Thunderbirds are confirmed as the headliners for both days. Aerial acts include USAF Wings of Blue, Gary Rower, the Desert Rats, Eric Tucker, Buck Roetman, Kirby Chambliss and Carol Pilon, wing walker. There will be a variety of additional civilian, military aerial demonstrations, static aircraft, military displays, vendors and STEAM City. The Luke Days team will continue to update the list of aerial acts and displays as they are confirmed. There will be shuttle buses available as in previous years with special handicap access and parking available. VIP packages are available on-line. Check the Luke Days website: <https://www.luke.af.mil/Luke-Days-2020/>

The Frank Luke Chapter will have a booth in STEAM City near the main entrance shared with the Civil Air Patrol. STEAM City is a program with immersive learning opportunities for children and young adults of all ages.

AFA believes in the power that students hold in securing our nation's future. Yet, only 16 percent of American high school seniors are interested in careers in science, technology, engineering or math. To equip our students with the knowledge and skills required for future innovation, we must increase the number of students and teachers in STEM fields. AFA is part of the nationwide initiative to improve STEM learning—including aerospace education—to better prepare students for the competitive global economy and increase their chances of becoming future leaders who solve our nation's toughest challenges. We support aerospace education and STEM through awards, grants, scholarships, professional development opportunities, and programs.
