Dear parents and families,

We hope you are safe and healthy during these challenging times.

As many of you already know, the Government of Alberta has shared a Relaunch Strategy. Please visit this link for more detailed information: <https://www.alberta.ca/alberta-relaunch-strategy.aspx#guidance>

Daycares and Out of School Centres will be allowed to reopen on May 14. We already have started contacting parents and preparing for the reopening.

The Alberta Children Services Ministry will provide especial guidelines, including capacity restrictions, daily symptom screening, cleaning and disinfecting procedures, social distancing, among others, to ensure that everybody stays safe.

Furthermore, we understand that parents had paid for the whole month of March and we were forced to close on March 16. Therefore, to compensate for those two weeks, we will not charge the parent's portion for the last two weeks of May.

As new information becomes available, we will share further updates with parents.

Lastly, we would like to reiterate that the safety, health and well-being of our children and staff remains our top priority.

Take care,
Fort Road Day Care & OSC
