

I had the pleasure of hiring Lauren Blumenthal to assist me in throwing a large corporate event at The Wit for over 250 people.

From day one, Lauren exceeded my expectations. Her organizational skills are outstanding, and she kept everything on task to perfection. Lauren is always two steps ahead, thinking of things we would need that I never would have thought of on my own.

Lauren listened to our CEO on his vision for the party, and escorted us around the city to see several different venues until we found the perfect one. She hired our photographer, DJ, created a delicious menu, worked out hotel and parking rates, and negotiated every single one of our contracts, always staying within our budget. All of those details combined are overwhelming, and I could not have done it without her.

As always, last minute details arose, and Lauren not only handled them in the most professional way, but did it with her own special flare. She has a unique and creative mind, and had the most wonderful ideas for our event.

I highly recommend hiring Lauren Blumenthal to assist you with your next event. If you like things done to perfection, staying within budget, in a creative, timely and professional manner, I promise you, you won't be disappointed!!
