Vent Free Fireplace System and Mantel Combination

CUI
EXCLUSIVE

Dark Walnut

This compact vent free fireplace system comes with a 99.9% heating efficiency. This unit features handpainted ceramic fiber logs and a single row of dancing yellow flames for a realistic fireplace appearance. This fireplace comes standard with an arch screen, rolled louver front and is available in both thermostat and millivolt (remote ready) controls. Choose from two beautiful mantel finishes, Light Walnut or Dark Walnut.

Light Walnut

Mantel Dimensions: Overall Height 38.5", Top Shelf Length 40.812", Top Shelf Depth 12.187", Hearth Depth 13.75", Hearth Width 41.875"
