I wanted to send you an e-mail and thank you for the gift cards for christmas. I was diagnosed with cancer in January, it's been a difficult journey, but definitely a rewarding experience. I see that it appears to be your daughter you named your foundation after. I hope you all are doing well, and if other children don't send thank you e-mails, I want you to know how special you make Christmas when you send things to young people. I love reading, and going to bed bath and beyond, so these gift cards will go to very good use.

May God bless you and your family...please wish them all, and the other members from your foundation a very merry Christmas...
