## ABOUT US

Make It Snappy! Jewelry is a family owned and operated business that started in Yukon, Oklahoma. Since 2014, the business has continued to grow, including several Jewelry Bar locations in two states. Make It Snappy! Jewelry provides fun, affordable products and friendly quality service everyone is talking about!

Our products are easily personalized, all in a snap! One piece of jewelry can be transformed into a thousand different looks!

Our collection currently includes a variety of interchangeable snap jewelry and accessories, specializing in handcrafted glass/image snaps.

We offer a large assortment of handcrafted snaps and bling (jewel/stone) snaps – and we are always adding new ones!

In addition, we can even create custom glass/image snaps using photos of children, pets, business logos, etc.

We look forward to helping you grow your snap jewelry wardrobe!
