If you will go to the internet at: <http://osageblog.blogspot.com/2013/06/new-topic-osage-shareholder-matters.html> , then scroll down to August 9, 2013 near the bottom, you will find several postings relevant to both sides of the “Negotiated Rulemaking Committee’s Recommendations.”

These people are doing their jobs. We Shareholders must now do our jobs, by sorting out the facts from the fiction and creative hyperbole. If you will read with an open mind, it will be easy to sort it all out. Good luck.
