Last Week's Run Report

Run 689 – Location –Raceway Park E Fremantle

Hare: Cookie

We all knew this was going to be the MOAR (mother of all runs) similar to the mother of all bombs – MOAB - that Trump just dropped. Cookie setting the run and doing food meant numbers were bound to swell - and everyone came out of the woodwork as expected! That's how hash tends to work, right??...

The drink stop didn't disappoint, with magical views and SANGRIA!! We also got our sugar fix in the form of lollies. There was the usual whinging and bitching – 'is there anything without alcohol?' ... seriously?? You're at hash – get some self-respect and drinks what's on offer or BYO water. Jokes guys, you know I love you (some of you).

Like I said before, there were plenty of visitors and long time no sees – Lickit & Stickit, Rowdy, Mile High, Tandem, Shafty and Dosh. There could have been more – it actually resembled Bindoon Rock – I haven't seen this many people since, well since Cookies last run! Fumbles called for run reports.

Tandem noted that we had bridges, water, good sangria and gave Cookie a 10/10 !!

Butter Buns was equally generous and gave 9/10 for an 'awesome' walk.

Rowdy surprised everyone, mainly Fumbles, and correctly guessed the run number of 689. This threw Fumbles a somewhat, as the script in Fumbles head was slightly different – which meant he had to think on his feet and run with it!

Hash Cash identified the late comers – apparently they came flying in on bikes! Screwy was ready with his defence – or so we thought ...

Our RA charged Screwy for a pause in his excuse.

Whoarder charged White Pointer for sitting on a post – he was crowned the 'post master', then all the girls lined up for a go!

Screwy accused D-Cell of being a fraud with the arm sling. She was seen at Rocky City without it, partying like it was 1999.

Witnesses to the fraudulent activity were Whoarder and Doggy Do.

Whoarder then charged Screwy for touching up his mistress – and I'm not even sure why this is a charge!?

Dosh tried to charge Rusty for short cutting- then copped a reverse charge for charging a committee member!! Which is ridiculous, seeing as most of the regulars that show up are also on the committee – which will make for a boring circle if we allow this rule to continue! I propose a referendum.

Doggy Do was awarded with 300 runs – holy shit balls – well done!!

See below for where to go.....For this week's run, that is.
