**TLC HAPPENINGS**  
**Week of**  
**July 5, 2020**

**Loaves and Fishes:** Loaves and Fishes: This event was cancelled earlier this week. If you have already donated or plan to do so, we are hoping to use those funds to distribute laundry soap at King's Kupboard later this summer. This decision is not yet set in stone, but we will keep you posted when we know more.

**Stewardship:** Even though the church buildings are closed, we still have expenses, and more importantly, God is still at work. We hope that you are able to continue your giving to the church during this time in order to give thanks for God's presence and support the ways that God continues to be at work through our ministries. Online giving is no longer available, however you may make your offering by mail, or by dropping your offering at the church. If you wish to sign up for automated giving from your bank account, please contact the church office.

**Church Cleaning:** During the pandemic, Tom is still working hard to keep our buildings clean and disinfected. He is following all CDC guidelines and best practices to keep food pantry volunteers, our secretary, and church members safe. The office and King's Kupboard are disinfected daily, and are in the process of being deep-cleaned for whenever we are able to return to church. However, the buildings remain closed, with the exception of the areas needed for the food pantry. Please do not enter the buildings at this time.

## PASTOR'S CORNER

I know that this time during the pandemic has been difficult for us, and we have been longing to gather again in person. Whether we are gathered in person today or not, I pray that we all continue to be patient through this process. It will be a long time before we resume "normal" worship. It is more important for us to act with caution now so that we don't have regrets later. Out of Christian love, we wear masks and take other precautions in order to protect our brothers and sisters in Christ.

## **MODIFIED WORSHIP PRACTICES DUE TO COVID-19**

In order to mitigate the risk of virus transmission within our worshipping community, our worship practices will be modified in the following ways:

### **General Practices:**

- Masks must be worn in worship and on all church property for individuals over the age of 2. If you do not bring a mask of your own, a mask will be provided.
- Please do not make physical contact with anyone outside of your household, and maintain a 6-foot distance from others, including while walking in and out of buildings.
- Please remain in your seating area throughout the service as best as you are able.
- Please do not eat or drink during worship (except for children who may need a snack or drink). Worship leaders are permitted to bring water in a closed container.

### **Speaking and Hymns:**

- Studies show increased risk of virus transmission through aerosol particles when singing or speaking loudly.
- Congregational singing has been omitted from the service. A cantor will sing the hymns. Please do not sing along.
- When participating in unison speaking during worship, please do so in a quiet voice.
- When weather permits we will move outside to sing the sending hymn together. Please take all your belongings with you, continue wearing a mask, and space out around the parking lot. Pastor Hahn or the cantor will lead the hymn once everyone is ready.

### **Holy Communion:**

- Communion will be celebrated at every Sunday service.
- Altar guild will prepare the elements before worship wearing masks and gloves.
- Individual portions of the elements will be distributed by the ushers at the time of communion. Gluten free wafers and grape juice are available upon request.
- The elements of communion will be received by the congregation in their seats at the times directed by Pastor Hahn.

**Thank you for helping keep one another safe and healthy!**

## **If you become ill or come in contact with someone displaying symptoms of COVID-19:**

- Self-isolate for 14 days.
- Contact Pastor Hahn as soon as possible so that church members may be notified (517-607-9429). If Pastor Hahn is not available, please call Christine McNamara (517-416-4713) or Tom Stockford-Shively (517-398-0773).
- In the event of a positive case or suspected case of COVID-19 at church, all those in attendance will be contacted asap.

### **According to the CDC, symptoms of COVID-19 may include:**

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea/vomiting/diarrhea

Symptoms may not appear for 2-14 days after exposure to the virus, ranging from mild to severe symptoms. Some people may not display any symptoms at all.

### **The CDC and the State of Michigan continue to recommend that older adults and those with severe underlying medical conditions continue to shelter in place due to increased risk of severe illness.**

If you fall into one of these categories or are in regular contact with someone who does, please carefully consider when it is advisable for you to return to in-person worship.

Anyone that is uncomfortable returning to in-person worship at this time should not feel pressured to do so. We fully support your preference to remain at home while there is still risk and uncertainty associated with this deadly virus.

### **Virtual worship options:**

- Videos from Sunday's worship will continue to be posted on our website and Facebook page on Sunday afternoons.
- DVDs of the worship video will be made available upon request. Please contact the church office if you'd like to receive a weekly worship DVD.
- The worship service will be broadcast to our parking lot through short range radio transmission on station 99.1FM if you prefer to listen from your vehicle.
