Target:
Left of center

Left Side: O.B.
Right Side: O.B.

Advice: What you see is what you get! This is one of the longer par 4's on the course, so bring your best tee shot! Long and left on your approach is safest and you can then factor out the two guard bunkers on the front right.

Target:
Right half of the green

Left Side: Safe
Right Side: O.B.

Advice: The right half of the green will kick your ball towards the center. There is usually a tailwind here and O.B. lurks over the back of the green, so check your yardages.

FORE! If you totally hook your tee shot left yell FORE!
