

Annual Youth International Energy & Environment Program (YIEEP) 17 Sustainable Development Goals (SDGs) National Competition

In September 2015, the General Assembly adopted the 2030 Agenda for Sustainable Development that includes 17 Sustainable Development Goals (SDGs). Building on the principle of “leaving no one behind”, the new Agenda emphasizes a holistic approach to achieving sustainable development for all. World’s Largest Lesson introduces the Sustainable Development Goals to children and young people everywhere and unites them in action.

We are inviting students from around the globe to take part in the

Anniversary of International Mother Earth Day

International Mother Earth Day is celebrated to remind each of us that the Earth and its ecosystems provide us with life and sustenance. This Day also recognizes a collective responsibility, as called for in the 1992 Rio Declaration, to promote harmony with nature and the Earth to achieve a just balance among the economic, social and environmental needs of present and future generations of humanity. International Mother Earth Day provides an opportunity to raise public awareness around the world to the challenges regarding the well-being of the planet and all the life it supports.

Take part in the World's Largest Lesson and be apart of the global challenge.
#ChallengingYouGlobally
Find your cause and passion in Life!

Who Can Take Part! Everyone

This annual competition challenge is for all middle schools, high schools, and collegiate students around the globe.

The World's Largest Lesson brings the Global Goals to children all over the world and unites them in taking action. Since their launch in September 2015, they have reached over 130 countries and impacted over 8 million children each year. Source: United Nations Foundation

To all the teachers, coaches, mentors, youth leaders and community residence who love inspiring, uplifting, and educating; we aspire to change behaviors in a more positive and productive manner. This challenge is for you too!

Sponsorship and Donations:

"DW" would like to thank all of our sponsors and supporters over the past 12 years. We've had the privilege and pleasure of working with hundred of students on the east coast and over 2 million via our energy and environmental focused national television broadcast "Green Education 101." Please consider donating as a volunteer or donating resources. With gracious donations we are able to continue our mission to provide educational and community economic development & enrichment initiatives and programs.

Over the past 12 years we have used donations exclusively to underwrite youth programs including paying the expenses needed to take participating students on international educational trips (trips include service learning, interactive, and humanitarian efforts), publish educational literature, produce educational television programming and commercials. Programming has aired on the following networks: CNN, FOX NEWS, BET, PBS, CW NETWORK, MSNBC, Comedy Central.

I can not state how proud and honored I am to have worked with some of the brightness and creative young minds. We look forward to continuing our efforts. If you are interested in becoming sponsor or making a tax deductible donation for DW Green Institute Inc. / DW Communications & Media / UNA-USA, SPSC) educational and community economic and enrichment initiatives/programs, please contact us at (301)537-4362 or visit: 1. www.dwgreeninstitute.org 2. www.dwcommunicationsandmedia.org 3. www.una-spsc.org.
