Last Week's Run Report

Run 687 – Location – Savoia Gourmet Pizzas Sth Fremantle

Hare: Rusty – who didn't get the memo, so no trail was set.

We were all given a run route to do and Franger, being the anarchist that he is, wasn't having a bar of that and just set off on his own run. I love it – 'you're not gonna NOT set a run for me, watch me run my own race' – it had Cathy Freeman written all over it. I love how Franger just doesn't give a shit.

Ramblin Rose guessed the run number. Well done

Virgins were D-Cells daughter and her partner – the name escapes me!

Gaylord was a long time no see.

The new committee were given a down down.

Headlights in her first shift as RA proceeded to open up a can of whoop arse on her subjects.

First charge was for Rusty for 'no chalk'.

Apparantly committee members can't receive a charge so Gaylord was chosen for the proxy charge!

Gaylord continued to cop a beating – this time for no hash attire. Rusty copped the same charge.

GPS charged Light My Fire for being in the kitchen, when she wasn't – it was just her doppelgänger. The charge was reversed.

Screwy charged Ramblin Rose for wasting time while doing her love tap. Ramblin Rose managed to execute the most awkward love tap with a drink on the inside hand and her other hand tapping across her body – it was awkward to watch and even more awkward listening to Screwy describe it. Screwy was then charged for wasting time with the charge for wasting time!

Rusty reversed the charge for his no hash attire from D-Cell, when he was clearly wearing a hash hat.

Slushy received the proxy charge because of the 'committee member rule' – which I swear to god, someone just made up on the night.

Food was wonderful, and we managed to get some to take away as well! We did lose a few people before dinner – not sure what happened. Gone in 60 seconds meets beam me up scotty.

I love sitting down to dinner with our dysfunctional family 'Last Supper' style – minus Jesus, Judas, Jerusalem and some old fashioned betrayal!!
