□ Season Timeline

The Novice (ages 3-6) cheer season term is from July to January.

Competition period: Novice cheer competitions start at the end of November and continue through January. This is considered crunch time! Therefore, there may be extra practices scheduled to assure that the teams are well prepared for their performance. All participants are required to be at the regular and extra scheduled practices.

The All-Star (ages 7-15) cheer season term is from July to May.

Competition period: All-Star competitions start at the end of November and continue through May. This is considered crunch time! Therefore, there may be extra practices scheduled to assure that the teams are well prepared for their performance. All participants are required to be at the regular and extra scheduled practices.

Parent/Guardian Initials _____

☐ **Probationary Periods**

All team members will start the season on a one-month probationary period where coaches will evaluate their behavior, ability to follow directions, skill development, performance effort, and knowledge of the current skills being taught. At the close of this probationary period, parents and team members will be notified via a written notice from the coaches on the cheerleader's strengths and weaknesses. Areas of concern will be discussed and the coaches will state their expectations for improvement. Failure to meet these expectations may result in the following occurrences for the cheerleader:

- ☐ Selected to fulfill the position of an alternate for a given performance
- ☐ Removal from the team

No one's position is permanent or guaranteed in this program's cheer team. Positions can change on a daily basis at the coaches' discretion. It is up to the cheerleader to put their best foot forward and meet the expectations given by the coaches to maintain or improve their position on the team.

Parent/Guardian Initials _____

☐ **Practices**

Each team will have at least 2 days of practice per week which will include tumbling. All practices are private. Parents and siblings will be allowed to watch their child practice from the parent viewing room but will not be allowed to enter the gym /practice area. **There is a fine of \$25 if a parent enters the gym without the permission of a coach.** We will also have mandatory parent viewing days. This is where parents will come into practice to see what their cheerleader has worked on and where they need improvements. Practice schedules will be available once your cheerleader is placed on a team.

Cheerleaders must arrive at practices on time, wearing proper practice attire:

- ✓ **Designated TMDC practice wear**

The practice wear will have to be ordered. Therefore, it will not be available for the beginning of the summer. Cheerleaders are required to wear the following until practice wear arrives.

- ✓ Black fitted t-shirt, tank top, or sports bra
- ✓ Black leggings, shorts or fitted pants
- ✓ Socks
- ✓ Cheerleading or running shoes
- ✓ No jewelry
- ✓ No food, drinks, or gum
- ✓ Hair should be pulled back out of the face and eyes (i.e. ponytail)
- ✓ Water bottle (filled with water)

Parent/Guardian Initials _____

☐ **Water and Restroom Breaks**

Cheerleaders will be given the opportunity to drink water and use the restroom prior to the start of practice if they are early. Periodically during practice, breaks will be given for them to drink water and use the restroom. However, restroom breaks should not happen more often than once per practice unless there is a medical issue. **If a cheerleader needs extra water or restroom breaks, they may request that with the coach; however, it will be at the coach's discretion if the permission is granted.**

Medical issues dealing with additional water and/or restroom breaks, outside of what has been outlined above should be discussed with the coach by the parent (prior to practices, competitions, and performances). **A doctor's note will be requested.**

Parent/Guardian Initials _____

☐ **Uniforms**

Uniforms are purchased by the parents but ordered by TMDC. **We will have a mandatory uniform and practice wear fitting day. Parents are required to be in the room with their cheerleader during the practice wear and uniform fitting. Your cheerleader will receive the size that the parent orders. We will not switch around sizes. If a parent wants a different size once the uniform and practice wear items arrive then they will have to communicate and arrange it with another parent or purchase additional items. TMDC will not be responsible for uniform or practice wear after they are ordered on the uniform fitting day.** Please speak with the coach about special washing/cleaning instructions. A program member must not wear team practice wear, cheer shoes, or any part of their uniform anywhere outside of the performances and competitions specified by the head coach. Uniform shoes must be clean at all times. Cheerleaders are not allowed to loan out any piece of their uniform to anyone without permission from their coach. The team jacket is considered to be part of your cheer wardrobe and should not be worn by anyone other than the program member to whom it was assigned to or for anything other than the program activities.

It is the cheerleader's responsibility to keep her/his uniform in good condition throughout their tenure on the team.

Parent/Guardian Initials _____

☐ **Choreography**

CHOREOGRAPHY WEEK/WEEKEND IS MANDATORY FOR ALL CHEERLEADERS!

Check the calendar for Choreography Week dates. During this week, your cheerleader will learn their performance routine including tumbling passes, stunts, pyramids, and dance. **It is a given fact that the routine will change throughout the season.** Different skills will be implemented as the cheerleaders increase their skill level.

Parent/Guardian Initials _____

☐ **Competition/Performance Policy**

Placement for performances and competitions will be based on participation, ability, and effort. The head coach will do evaluations a week prior to the performance. If a member does not have the routine clean enough for performance, they will be asked to sit out of the performance. Placements are not permanent and may change at any time at the coach's discretion. **If your child is removed from a performance they are still required to attend practices to observe changes. The cheerleader will also be required to attend the performance to support his or her cheer sisters.**

The Novice team will attend 2-4 competitions and the Elite teams will attend 4 to 6 USASF sanctioned competitions. All but the final competition will be local (within 2.5 hours of travel). The Elite's last competition may be located out of state. Details will be given later in the season. This and all competitions are mandatory. TMDC does not cover transportation to or from competitions, nor do we pay for any hotel stays. These fees are to be paid by the cheerleader's parents. **Competitions occur on the weekends (Saturday & Sunday). If a competition happens to start on a Friday, you will be notified in advance.** Specific competitions for the 2020-2021 season have not yet been selected. You will receive a tentative schedule during the month of August. Parents are required to attend or designate a chaperone for their cheerleader at competitions.

Parent/Guardian Initials _____

☐ **Accommodations & Hotel**

Accommodations & hotel payments for travel events are the responsibility of each individual family.

Parent/Guardian Initials _____

☐ **Transportation**

Program members must be picked up on time from practices, competitions, and any other performances. It is not the coaches' responsibility to take members of the cheer team home after practices or events.

If your cheerleader is being picked up by someone other than the parent/guardian, the parent/guardian must notify the coach at least the day before. It is the parent's responsibility to make sure that their cheerleader's rides know where and when to pick them up.

Parent/Guardian Initials _____

☐ **Absences**

One person being absent affects the entire team. It is important not to inconvenience the practice time and hard work of the entire team by being absent.

Absences should be avoided when possible. Requests for an excused absence must be done at least seven (7) days in advance to allow coaches to make adjustments to routines and practice schedules. The absence will not be excused if it is not reported (in writing) seven (7) days prior (unless it is an emergency such as contagious sickness). Absences due to contagious illness must be excused by a note from a doctor.

A notice is not official unless it is submitted to the head coach via email, text messages, and voicemails. Absence notices in person will not be counted as an official notice and the head coach reserves the right to not excuse any absence that she/he does not see as reasonable.

The unexcused absence penalty is a demerit and a \$40 fee. We do not excuse absences DURING THE WEEK OF COMPETITION for any reason including sickness. Absences during competition week will result in a demerit, \$25 fee, and removal from that performance. If your child is removed from a performance they are still required to attend practices to observe changes. Understand that the

coaches must make the best decision for the ENTIRE TEAM. The cheerleaders must be in attendance at practice to get the best results at competition.

Practice **BEGINS** at the start time. Therefore, cheerleaders must be in the gym ready to stretch at the time that practice starts and not walking through the door, using the bathroom, or getting dressed. If your cheerleader is not in the gym, then they will be considered tardy. Tardiness will result in a fine of \$1 per minute up to 20 minutes. This fine will max out at \$20.

Absences that will be excused	Absences that will NOT be excused
Contagious illness	Birthdays
School events that will affect grades	Out of town (July-May)
Death in your immediate family	Not having a ride
Out of town during the summer (May-June)	Stuck in traffic
Family emergencies (i.e. a parent being in ICU)	Not reading emails or BAND
	School events that do not affect grades (i.e. school dances)
	Feeling tired
	Not having clothes
	Too much homework

Missing practices with a valid excuse can still lead to the cheerleader being removed or replaced in a routine, position, or stunt, due to simply not being physically available to practice.

Parent/Guardian Initials _____

☐ Conduct/Discipline Policy

Our purpose is to help our cheerleaders grow by challenging them physically, emotionally, and mentally while enhancing their abilities and skills as all-star cheerleaders. One of our goals is to promote sportsmanship, lady/gentlemen-like qualities, and good self-esteem. All cheerleaders must display proper manners at all times. Each team member will be groomed for leadership and expected to set an example for their peers. They will be required to treat others as they would want to be treated and refrain from gossiping and forming cliques. They will be encouraged to focus on a positive attitude wherever they go. ***Cheerleading is not simply an activity; it is a state of mind.***

It is critical that the practice time allotted should be used wisely. Excessive talking, joking around, being disruptive or behaving disrespectfully towards coaches and/or team members will not be tolerated.

Parent/Guardian Initials _____

☐ Demerit & Fine Discipline System

Each case of discipline will be evaluated and judged individually. **The coaches have the final decision in any situation.** Every attempt will be made to discipline fairly/equally and to make consequences for

actions known ahead of time. Parents will be kept informed of problem situations. The severity or repeated offenses will dictate harsher actions.

Demerits and Fines will be used as a disciplinary tool. It is designed to provide a management system which provides demerits and penalties for rules that are broken. The system is in effect for all cheerleaders and may be given for practices and competitions. Most first offenses, depending on the severity, will be dismissed with a warning and a friendly reminder; other offenses will result in physical discipline (i.e. push-ups, running laps, wall sits, burpees, etc.) at the discretion of the coaches.

Demerit offenses can be, but not limited to:

- ✓ Not cooperating with coaches or captains
- ✓ Inappropriate language
- ✓ Unexcused absences
- ✓ Tardiness
- ✓ Improper attire for games and practices
- ✓ Disrespect shown to coaches, captains, faculty, staff, adult figures, and/or other team members, etc.
- ✓ Uniform inspection failed

Naturally, certain items (i.e. practice wear, socks, bows, shoes, etc...) will have to be replaced from season to season due to the fit and wear and tear. This will not result in a demerit. In this case the parent will be responsible for replacing the item by purchasing a new one immediately. Failure to replace this item immediately will result in a \$25 fine in addition to the cost of the item due to uniform inspection failure. All violations of the team rules will result in a \$25.

Violation (\$25) Examples
Unexcused absence see pg. 10 - \$40 fee for unexcused
Inappropriate or incorrect practice wear
Not having all competition items on competition days

A cheerleader will be removed from the team when he/she receives their 3rd demerit.

Parent/Guardian Initials _____

□ Program Fees

The TMDC All-Star Cheer Program is one of high quality. The coaches put forth an extensive effort to build and continue to develop a program that the company, parents, and cheerleaders can be proud of. Like in most cases, quality comes with a price. Prior to the start of each season, the coaching staff creates a plan and budget to meet the program's evolving goals.

All fees should be paid on your ICLASSPRO account. The "Monthly Fee" is separate from "Competition Ready Fees" and only includes 2 - 3 days of team training which will include tumbling training. The Competition Ready Fees will include items such as the competition uniform top and bottom, shoes, practice wear, warm-up book bag, competitions, etc.

Parent/Guardian Initials _____

o **Fee Due Dates**

A schedule of payments for fees including instruction, uniforms, activities, etc... are given at the beginning of the season. There may be unplanned or unforeseen fees that may occur in a season that was not originally presented to parents at the beginning of the season. If this occurs, the coaches will notify parents as early in advance as possible.

It is imperative that parents commit to paying fees by the set due date. Late payments will result in a \$25 fee. **All payments are nonrefundable. If you wish to pay all payments in advance, keep in mind that if your cheerleader is dismissed from the team for any reason, all payments are non-refundable and you are responsible for paying the remainder of the season fees.**

Parent/Guardian Initials _____

o **Fundraising Program and Fee**

We want to develop a program that is affordable for all members (current and potential) to be able to participate. However, as our program grows, our budget grows! In order to help alleviate program fees, we have implemented a “TMDC Fundraising Fee and Program”.

We have included an \$50 Fundraising Fee in your program fees. This will be used solely to cover costs in purchasing fundraising supplies that are needed before the actual sale; such as upfront cost to purchase materials/supplies from the company who we are purchasing the fundraiser from. Another way to alleviate program fees is the Fundraising Program. Whenever we have a TMDC sponsored event (such as our annual showcase), we will require each TMDC cheerleader to sell five tickets per event or pay the equivalent of the full price for the five tickets. For example, if we charge \$8 for the showcase and the minimum five ticket sales have not been met, you will have to pay \$40 to meet that program fee minimum. Keep in mind that prices of events vary and/or are subject to change. A payment plan (after fee due date) option will not be given to those who do not participate in the Fundraising Program and Fees.

Parent/Guardian Initials _____

o **Payment Plan**

If a parent is experiencing financial hardship and is unable to follow the payment schedule presented, they may reach out prior to due dates to the coach to set up a payment plan. This payment plan must be requested, approved, and signed by both parties at least one week prior to the payment due date. Failure to do so will result in the coach taking the following actions:

- (1) Adding additional late fees
- (2) Prohibit cheerleader from participating in performances and competitions
- (3) Exclude cheerleader from receiving tumbling or extra instructions
- (4) Removal of cheerleader from the team

Parent/Guardian Initials _____

o **Outstanding Fees**

Program fees that are not paid on time will result in an outstanding balance notification via email and a \$25 fee applied to your balance. There will be a 3 day grace period before the late fee is added. Unpaid fees will cause items to be held and/or the cheerleader removed from the team.

A cheerleader who has not kept their monthly fee current will not receive items until it is cleared. At the end of the season, if a cheerleader's account has not been cleared then they will not be permitted to try out for the next session. Balances must be cleared at least the day before the tryout. Parents must also provide proof of payment if the payment (i.e. copy of the receipt, or email notification). It is not the coach's responsibility to check on payments.

*In addition, if there is a sibling of a former cheer team member who has not cleared their program balance will not be selected for the team.

Parent/Guardian Initials _____

□ **Social Media**

Participants should not speak negatively of TMDC or its programs on social media. The team name and logo are not to be displayed on your personal social media accounts unless it has been approved and is used to promote a TMDC program implemented by TMDC staff.

Parent/Guardian Initials _____

□ **Use of the TMDC Logo**

The gym, team names, and gym team (s) likeness may not be used without written consent from the CEO, Tavena Mitchell. All items must be approved if a parent wants to use the company or team logo, teams names, or any company (TMDC or TMDC related) branding.

Parent/Guardian Initials _____

PRACTICE REQUIREMENTS

All-Star Team Elite- School Year Schedule

- Team will practice 3 times per week which will include tumbling training. Tumbling times may change throughout the competitive year, as individual skills may advance/decline.
- Approximately team weekday practices will be any time between 5:30pm-9:30pm.
- Beginning the first day of scheduled choreography through the remainder of our school-year practice schedule, there will be no excused absences for team practices.

All-Star cheerleading is a team sport in which 100% team attendance directly relates to a team's progress, success and safety. Therefore, TMDC upholds a STRICT attendance policy. Please understand, even a few absences (or excessive tardiness) could jeopardize an athlete's position on the team.

GENERAL PRACTICE INFORMATION

- Each TMDC Bomb Squad member will receive practice wear (cost included in yearly, team fees) After receiving, athletes are required to be in the correct outfit at all team and tumbling practices.
- Practice times may be added, extended, changed and/or canceled at various times throughout the year. There will be no additional costs for extra or extended practices and no discounts for canceled practices.
- **All team practices are mandatory, even extra practices.**
- **Cheerleaders will exercise (also known as conditioning) every practice. It is a requirement for the sport. There will be additional conditioning if the team is misbehaving. We will not always use our practice time if this occurs. Cheerleaders will sometimes have to complete the additional required conditioning after practice.**
- Your child’s “contact” coach is the only person that can excuse an absence or tardy.
- **If you will be late for any reason, you must notify your child’s contact coach BEFORE practice begins.**
- Tardiness is defined as “not being on the practice floor, ready to practice, when practice begins.”
- In the event of illness, notify your child’s contact coach. Your child may still be required to attend practice for stunt/choreography purposes.
- **Team practices & competitions are NEVER to be used as punishment for your child’s actions outside the gym.** Furthermore, “homework” is NOT an excused absence.
- Unless otherwise informed, team practices are always closed to parent, sibling, and friend observation.
