

The company that brought you
all ceramics now brings you...

Many choices from the one name you trust.

Ivoclar Vivadent revolutionized dentistry with IPS Empress®, the ultimate in metal-free esthetics. We changed everything again with IPS e.max® – and we're just getting started.

As the world leader in all-ceramic restorative materials, we are always moving in new directions to provide exciting, innovative products. We are committed to offering dental professionals world-wide the most advanced technologies, highest quality products, and world-class education.

Your proven option for esthetics and strength.

Your strongest option for high-performance.
