Proof of Workman’s Compensation must accompany this application. If not, a completed and notarized affidavit that workman’s compensation and disability benefits are not required must be submitted with this application. All removal of hazardous materials, including and not limited to asbestos, must be completed by owner or his agent and examined by the Village of Addison Code Enforcement prior to structure demolition. When demolition is being done in high traffic areas coordination must be completed with corresponding Village of Addison agencies. It is also the responsibility of the owner or agent that all utilities are terminated prior to demolition. Cellars must be filled with clean debris. No structural material allowed. All demolition debris must be removed from the site within 3 days of demolition. If new construction is not intended within 30 days of demolition, the cellar or excavation must be graded, top soiled, and seeded with grass. If present site is graveled it must be graded with like gravel.

APPLICATION IS HEREBY MADE TO THE OFFICE OF CODE ENFORCEMENT
 Village of Addison for issuance of demolition permit pursuant to New York State Law.
 I have read these instructions and find them to be true
