Last Week's Run Report

Run 672 – Location – East Fremantle Sea Scouts Hall. Hare – Mr Blow Job.

Last Wednesday saw a gathering of 30 hashers arrive for **BJ's** run from his secret river location in East Fremantle. The trail had led them through the streets of East Fremantle and Bicton including a drink stop as well.

Upon their return we enjoyed pre-circle drinks and were treated to a magnificent sight of the rising moon reflecting on the Swan River.

Somewhere in the darkness we heard the call so we felt our way towards **COOKIE's** voice and formed a circle. **GPS** was quizzed for the run number and eventually arrived at the correct answer through a process of elimination.

D-CELL reviewed the trail on behalf of the runners. She loved the fact that it was entirely made up of hills with no flat spots or chalk or checks for that matter. She gave **BLOW JOB** a near perfect 9.9 out of 10.

SLUSHBOX gave us his thoughts of the trail for a walker. It was an emotional experience for him – he laughed, he cried and also found no checks and no false trails. He gave the hare 7 out of 10 for his effort.

Eventually the hare graced us with his presence in the circle and had a down-down with his two reviewers.

Visitors and long-time-no-see's **LEACH, NILLY WILLY, CONCORDE, TICKETS** and **COCK HUNTER** all participated in a down-down.

Next on floor was **SHAFT SNIFFER** who received recognition (and a badge) for his 300 runs with Fremantle Hash.

SHAFT SNIFFER then took on duties as the guest RA, his first charge was aimed at **NILLY WILLY** for his own full moon display that permanently burnt into the memory of the RA since his last visit. **GPS** was charged for complaining of being tired and suffering from carpet burns. **SLUSHBOX** was also complaining of being tired and having a sore arse so he was also charged.

- **LOFTY** charged **DIRTY DEEDS** for her blonde moment when asking about the moon rising every day – we're not sure if **LOFTY** realized she was having a fling with him but she wasn't about to refuse a down-down either.
- **YO-ADRIAN** charged **PBUJ** and her partner for something or other. Apologies and her partner for something or other. Apologies and her partner for something or other. (Apologies **YO** but I got lost with the explanation of the

charge after the first couple of minutes.)

- **GPS** charged **NILLY WILLY** for leading him astray on trail, **NW** responded by saying that he should have wash. **SPACKLE** and **SCREWDRIVER** joined the Englishman after the circle demanded 'One Pom in, all Poms in'

The Naughty shorts were handed over from **GPS** to **BLOW JOB** for the shit job he made of not providing lights for us to see who we were touching or what we would be eating.

AH-SUP told us yet another true story, this time about the airlines clamping down on consumption of alcohol before flights. **SCREWDRIVER** continued with the airline theme with a story of the jettisoning of passengers in alphabetical order. **COOKIE** followed up with the story of a travelling saleswoman who got a bottle of wine for her husband.

X-RAY, who wasn't paying attention, was asked to lead us into song.

We adjourned to the dining section of the river foreshore for the huge, all you can eat buffet of chicken, salad and vegetables laid on by **BLOWJOB**.
