... the one stop pet care company

Hello and welcome to the latest issue of **Pawsnews**... there's plenty to read with news, views, updates and fun. So, without further ado let's get reading...

As Christmas approaches and 2016 draws to a close I would like to wish all my clients, furry and human, a very merry Christmas and a happy, healthy and pet-filled New Year!

Thank you for your continued business in the last 12 months, for all the recommendations and for entrusting your pets into our care. It's been a busy year for me and my assistant (Mum!) Daphne but we've loved every minute and look forward to the next 12 months.

We hope you enjoy your festivities with your families, friends and furries and remember if you have holiday boarding to book for next year get in quick!

Have a fun filled festive time, Karen xx

A great result!

The response to our appeal for shoeboxes filled with goodies for dogs, cats, puppies and kittens in aid of Margaret Green Animal Rescue was quite simply overwhelming!

Your generosity was amazing and resulted in us delivering over 80 boxes to the Church Knowle centre on Sunday 18th December. There were around 50 doggie boxes, 30 cats, a couple for small furries and even one for a horse!

The staff were delighted with the donation and Lucy (pictured in the left of the photo opposite) one of the ladies working in the cattery commented that there would be some very happy cats over Christmas and well into 2017! The cat, small animal and horse boxes will be used at Church Knowle while the doggie ones are being transferred to the MG site at Winterborne Kingston where the dogs are located.

So, a HUGE thank you to everyone who got involved and by doing so has helped to ensure that many rescue animals will too have some christmas cheer while we are all enjoying our festivities surrounded by our animal families.

Check your dates & times

When booking holiday boarding can you ensure that you are as accurate as possible with your start and end dates and times please.

This is particularly important if you are booking well in advance.

I appreciate that things can change and ask that if they do, either before, after or during your holiday that you let me know as soon as possible. At busy times I often have dogs ending their holiday and another starting theirs, and so to ensure that all are dropped off and picked up in a timely manner I need you to be accurate. I will, of course, check dates and times with you prior to your holiday especially where a booking has been made months in advance, however, if things change please let me know as soon as possible.

Congratulations

Regular client Bertie, the Boston Terrier, was delighted when his 'mum' Angela got married in the summer to Andy, as he, of course was guest of honour and we had the privilege of taking him along for the photos!

Another wedding was that of Kim and Matt, Billy the pug's 'parents'. Billy attended the wedding and was very well behaved, and once the ceremony and photos had taken place Billy came to stay so Kim & Matt could enjoy their party.

Congratulations to you all and we're happy to have been able to help your pets 'enjoy' your special day.

New Paws Pals

Here are just some of the furry friends we've welcomed to the paws 'gang' recently...

Barney - Golden Labrador

Twig - Eurasier

Wisp - Japanese Spitz

Dusty - Dachshund

Alfie - Retriever

Frank - Dachshund

The lovely Daisy, Imperial Shitzu, has recently become a 'big sister' to the gorgeous Holly. Parents Emma & Rob are making sure that Daisy still comes for her day care

so that her routine isn't broken while they settle into parenthood. This is very important when you introduce a baby into a family with a pet dog. Congratulations Emma & Rob!

see you next time, Karen
