

# Stefan Butz

BC-HIS, HAS  
Board Certified  
Hearing Instrument  
Specialist

Stefan received his degree from the University of South Florida in 1991. He completed his training as a Hearing Aid Specialist in 2009 and his Board Certification in Hearing Instrument Sciences in 2018.

Stefan has over a decade of experience in the hearing healthcare field. Stefan specializes in the repair and programming of most brands of hearing aids as well as treating sensorineural hearing loss, sometimes also referred to as “nerve deafness.”

When he’s not helping people hear better, Stefan enjoys hiking, camping, volunteering at his church, and spending time with his lovely wife, Tammy.
