Payouts will be annual, semi-annual, quarterly, or monthly basis. A reduction in commission may be applied.

Guaranteed Rate on Deferred Annuity Contracts

All Tax-Deferred Annuity contracts as of September 1, 2011, or thereafter, will have a variable base guaranteed rate. The base guaranteed rate declared will not be greater than 3.00% and not less than 1.00%. The base variable guaranteed rate is effective on any annuity purchased on or after September 1, 2011. All contracts purchased prior to September 1, 2011 will receive the contract base guaranteed rate of 3.00%.
