### Love Comes to Colt for Christmas ...

The evening of November 30th, **Colt Pugliese** was rushed to Lone Star for emergency colic surgery. He had a colon torsion followed by complications of colitis. With love and hope in the Christmastide air, Tara Reiber brought **Scooter** out to stay with Colt. The healing interaction has been magical. Many of us move thru the day in constant prayer for Colt and peace for the Pugliese family. Thanks to everyone for their vigilance.
