

LOVE AND GRACE MINISTRIES - HAITI

If you have served on a team at L&G, chances are you met Junior who has served as a driver and translator for teams.

Junior had the opportunity to be a part of a dental training program and is qualified to provide dental cleanings, checkups, and pull any teeth if needed. We are thankful he can use his skills to help the boys and staff at L&G.

Goodman and Kervensley receiving a dental cleaning and checkup from Junior.

Thanks for your participation and support of Love and Grace Ministries ~ Haiti. We look forward to seeing you on the 28th.

Prayer Needs

- Our first boy getting ready to transition out of L&G.
- Van to sell, so a better vehicle can be purchased.
- Continued peace and safety in Haiti after much unrest.
- Haitian board member's travel to states for health needs.
- Golf outing on the 28th.

Moles, Ruben, and Donley anxiously awaiting Midley getting mangoes from the tree at the boys' home.
