

“On-the-Spot” Caricatures

(paid hourly with a 2 hour minimum)

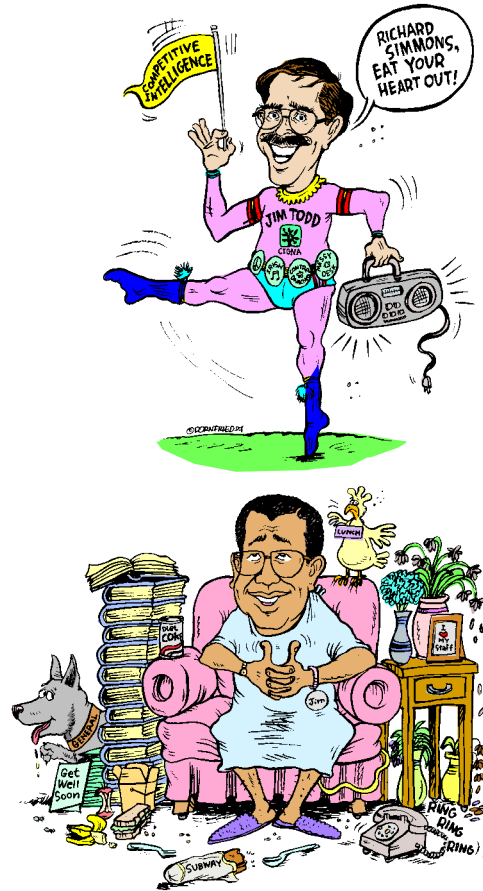

Caricatures for:

- School Graduations
- Bar/Bat Mitzvahs
- Holiday Festivities
- Civic Events
- Company Picnics
- Business Functions
- Birthday Celebrations
- Classroom Discussions
- Lectures
- Any Entertainment Event

This type of caricaturing is very popular because it is done quickly, (3-5 minutes) and results in a humorous, keepsake suitable for framing. Sessions are paid in advance and thus provide free caricatures to crowds of 30-300 people depending upon event size and hours commissioned. Because of timing, these caricatures are usually drawn as black & white but can include color, full-body theme poses if desired and specified.

Special Occasion Caricatures

(full color caricatures incorporating themes and drawn from photographs)

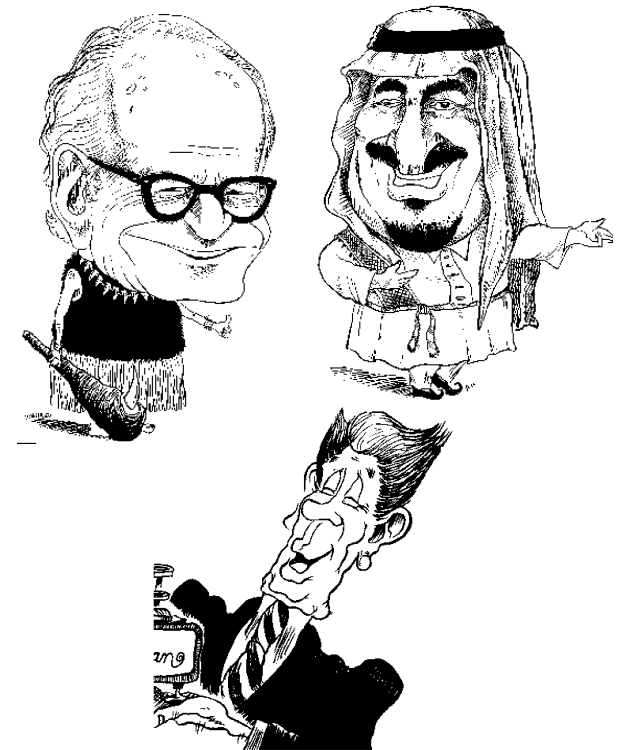

Caricatures for:

- Birthday Gifts
- Weddings
- Keepsakes
- Awards
- Retirement Presents
- Anniversaries
- Commemorative Events
- Any Gift Occasion

These caricatures are done over a minimum of a one to two week time period. They can be as simple as a colored caricature portrait or as complex as incorporating hobbies, special lifetime events or workplace accomplishments. This type of caricaturing is drawn from photographs and usually includes an interim proof of caricature likeness and composition. Special occasion caricatures make great gifts and prices vary depending upon complexity of images .

Publication Reprint Caricatures

(newspapers, magazines, newsletters, advertisements, political cartoons & promotional material)

Most of these caricatures are of notable people in the news or featured in an article. They can be very exaggerated and humorous. Caricatures for publication reprint are traditionally drawn in black & white and are usually commissioned by businesses such as newspapers, magazines, advertising firms or corporate art departments.

Computerized Caricatures

All caricatures can be brought to both Macintosh and IBM compatible file formats. These can then be output to either 35mm slides, slideshows, posters, screen savers or any computerized function. Caricatures, (and cartoons) can really enhance a corporate presentation and can bring any slideshow to life. Prices vary and computer generated caricatures should be specified at the onset of any commission.
