

The Pledge of Peace 2018

I hereby volunteer to join in the cause of World Peace, Safety, & Freedom and to unite in ending the hate and violence that would destroy or deprive us of these Universal Rights.

In doing so, I will teach through thoughts and actions that promote and demonstrate these rights. I will join with all others who take this pledge to usher in a New Era of Peace for Humanity and all Living Beings.

I, _____ (insert/print name),
pledge on this date, _____ (insert/print date), to uphold the
principles contained in the above declaration and pass this "Pledge of Peace"
on to the children and to future generations.

Where There is Peace, Safety, and Freedom
There is Love
