II THE PROJECT

- a. Amount of Community Development Funds requested: \$ _____
- b. Total Project Cost: \$ _____

PLEASE PROVIDE AS MUCH DETAIL ON YOUR PROJECT AS POSSIBLE

c. **Project Description:**
Please describe only the activities that you will undertake with the funds you are requesting in this application. You should include the following information: type of activity, such as public service, housing, building renovations, etc.; description of clients being served, such as youth, the elderly, homeless, etc.; and area of the City you will serve with your proposed activities. Please indicate what percent of your clients resides within the City of Connellsville. For renovation projects, you should attach a cost estimate. Please note that any consulting services, such as architectural, engineering, etc. paid for with CDBG funds must be competitively bid. Also, Davis-Bacon Wage Rates (union scale) must be paid for all construction projects.

d. **Benefit:**
Community Development Block Grant funds are intended to serve primarily low and moderate income persons. Describe how low and moderate income persons benefit directly from the project and how you will verify that your clients meet the CDBG income guidelines. If your activities are designed to improve the general environment of your community, please indicate what Community Development Block Grant eligible neighborhoods you will serve. A Community Development Block Grant eligible neighborhood is an area where at least 51% of the residents can be classified as low and moderate income.

e. **Outcomes:**

Please summarize why the proposed activity is needed and what outcomes will be achieved from the proposed project or program. Outcomes are the changes you expect to occur in clients' lives and/or the community as a result of the proposed activity. A complete statement includes output (quantified) + outcome (from categories above) + activity (description) + objective.

Examples: 52 households will have new access to public sewer for the purpose of creating a suitable living environment.

7 households have affordable housing through a down payment assistance program for the purpose of creating decent affordable housing
