*****IMPORTANT CLASS INFORMATION*****

We look forward to a great 2019 Spring Session! Please remember that this is a Mommy and Me Class so ALL activities and music are designed for one on one time with you and your child/children. Even though this is a great time for the parents to meet new friends, or socialize with existing ones, please be courteous to the instructor and all participating in this class by engaging with your own child/children and the entire group in our circle time setting. We are so excited to see everyone and all the smiling little faces!

All students and the parents/ legal guardians are aware of possible injury that may occur during class and are willing to assume those risks. It is agreed that students and their parents will not hold Hype Dance Productions liable for injuries sustained while in attendance or while participating in class activities. The instructor reserves the right to ask anyone being harmful to others in any way (example: rowdiness, running, being overly disruptive, hitting, pushing, biting, etc) to leave that class or future classes immediately. Payment is nonrefundable regardless of attendance in the class.

***Please know that I am a mommy of 2. If anything comes up with my children at school that I have not been notified of until that date approaches (such as a field trip or program), we will have to reschedule a class or move it to a different day. I do my best to get all of this figured out before the schedule is set, but just like to let everyone know this upfront. I am sure as a parent, you all understand this and I really appreciate it! Looking forward to a great Spring Session and seeing all of our friends and new faces!!!**
