Mental Health Services

Northland Counseling Services

Northland Counseling Services provides community-based mental health treatment services to clients within Iron County Wisconsin. Multiple treatment approaches are offered; treatment is individualized to meet the needs of each client.

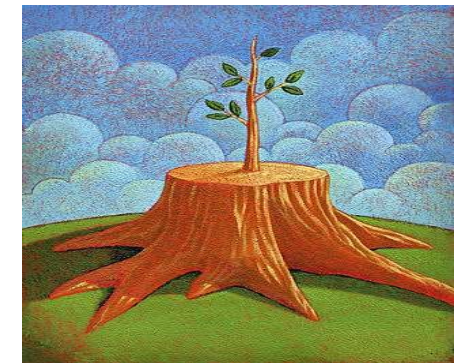

Individual Counseling

Individual Counseling sessions are conducted on a regular basis. These sessions work to address specific identified issues. Individual counseling is conducted with a mental health counselor and based upon the specific needs of the client.

Psychological & Psychiatric Services

Psychological and psychiatric services are available.

Iron County Human Services and Associates is a creative public-private partnership for the provision of behavioral health services offered by regional agencies through the coordination of the Iron County Department of Human Services
