

Swarthout's Skull Works

Scope Liability Waiver Form

I understand that the process of hydro graphic printing will subject my firearm scope and or optics to complete submersion in water. I acknowledge that by allowing Swarthout's Skull Works to decorate such referenced items above that flooding, fogging or any other damage may occur and I am willingly allowing Swarthout's Skull Works to complete the decoration even though my item may be damaged.

I understand even though many scope and/or optics manufacturers are advertised as waterproof and/or water resistant, that manufacturers may not have indicated total liquid submersion of their product to be included in such warranty coverage. I acknowledge by signing this waiver form that Swarthout's Skull Works has referred me to contact my scope and/or optics manufacturer with questions regarding such warranty coverage. I understand that if such damage occurs, the manufacturer may void my scope and/or optics warranty.

In consideration of the procedures used and the risks involved, I grant permission to Swarthout's Skull Works to decorate my scope using the hydrographic printing process, and agree not to hold Swarthout's Skull Works, its owner or any representatives responsible for any damage that may occur from this process.

By signing this form I hereby give Swarthout's Skull Works permission to decorate my item(s) and fully understand the risks involved.
