# Parent/guardian and student, you are responsible for knowing the contents of this document. Please read and discuss the information together. Thank you!!

This handbook provides information about the policies and procedures of our School-wide Discipline Plan. When parents, students and teachers work together toward a common goal, a more enjoyable school experience will happen. The goal of our plan is to help our students be successful. Discipline plays a huge role in a child's education. It is a life-long skill children will rely on as they become active members of their community. Our students deserve the most positive learning environment to achieve academic success. Therefore, this school-wide discipline plan will be in effect at all times.

## Al Ihsan School School-wide Discipline Plan

## What is a School-wide Discipline Plan?

A School-wide Discipline plan is an organized, data-driven system of interventions, strategies and supports that positively impact school-wide and individualized behavior planning.

## What are the benefits of a School-wide Discipline Plan?

A systematic approach to discipline enhances learning outcomes for all students. By reinforcing desired behavioral outcomes students will clearly understand expectations. Students are explicitly taught what the desired behavior should be. This attention to expectations leads to a more positive classroom experience, a stronger learning community and an increase in student learning.

## **Defining Discipline:**

Discipline is a process that uses teaching, modeling and other appropriate strategies to maintain the behaviors necessary to provide a safe, orderly and productive learning environment by changing unacceptable behavior to acceptable behavior.

Our teachers and staff will provide all students with an enriching, challenging and nurturing learning atmosphere each year. Each teacher has a classroom management plan to address procedures and discipline in the classroom. This plan includes positive rewards. Please make sure you and your child understand these rules and procedures. If you have any questions, please do not hesitate to contact your child's teacher.

If your child's teacher contacts you about a discipline concern for your child, please be supportive and responsive to work with us, so that your child's behavior has a positive outcome.

- The misbehavior of one student will not be allowed to interfere with the learning opportunities of other students.
- The misbehavior of a student will not excuse him/her from successfully completing learning objectives.

Securing Parent and Student Agreement and Active Support

The success of a school-wide system lies in the relationship built between parents, staff and students of the school community. This relationship begins with communication. Parents will be informed about current school issues, success and concerns through school-wide newsletters, classroom teacher's updates, the school website, parent meetings and parent handbooks. The hope is by keeping parents well-informed the plan will be more successful.

On an individual basis student behavioral issues are addressed with parents through the parent/teacher emails, notes home, phone calls home and parent conferences. A signature is required for any written notification concerning behavior. The signature helps school staff know that the parent is aware of the concerns being raised and is the beginning of establishing an open line of communication. This communication helps to foster the success of the school-wide plan.

Al Ihsan School's school-wide plan is successful because it is based on a commitment to each child's success, to easy-to-follow school rules and to consistency. The system allows for each teacher's style in the classroom and it allows for age appropriate communication and discipline without compromising school-wide policies, expectations and consistency.

## **Parent's Commitment**

#### Parents will:

- Reinforce the School-wide Discipline Plan
- Communicate high behavioral expectations to their child
- Commit to follow through to the success of their child's behavior
- Take an interest in personal goals, achievements and needs of their child
- Support the students in their academic and extracurricular activities.

## **Student's Commitment**

#### Students will:

- Follow the School-wide Discipline Plan
- Maintain high behavioral expectations
- Accept responsibility for your behavior

## **Consequences for Minor and Major Incidents**

## **3-Strike Policy**

When students do not follow the outlined school-wide discipline plan they will receive consequences based on the discipline policy.

- 3 minor offenses = 1 detention on the  $4^{th}$  offense
- 1 major offense = immediate detention (lunch and recess 40 minutes)
- 3 detentions in 1 quarter = suspension on the 4th detention
- 3 suspensions in 1 semester (half-year) = expulsion on the 4<sup>th</sup> suspension
- Any inexcusable offense (see list) = immediate expulsion

Minor behavioral issues will be handled by the teacher (classroom, Arabic, Quran, gym, recess, lunch, etc.). Three minor offenses will lead to a detention. The following is a sampling of the consequences teachers may use after warning the student repeatedly:

- Redirection
- Removal to a "time out" area within the classroom
- Conference with student
- Note to parent
- Phone call to parent

Major offenses will automatically be given a full detention. After 3 detentions or major offenses, the student may be referred to a disciplinary committee on the fourth detention or major offense, in addition to suspension (see above). The following is a sampling of the consequences administrators may use:

- Natural consequence (clean desk that student wrote on, letter of apology, etc.)
- Parent phone call
- Referral to administration to develop a behavior improvement plan

## **Positive Support System**

This component of the school-wide discipline plan is to recognize students for meeting school behavioral expectations. Four incentive programs will be in place to acknowledge students who meet our expectations. The incentive programs are:

#### Perfect Attendance

At the end of each quarter, all students with perfect attendance for that month will have their name submitted for a drawing. They will receive a certificate and a book of their choice. At the end of the year, students who have had perfect attendance for the entire year will enjoy an ice cream party.

#### **Star Student Celebrations**

Our goal is that all students follow school-wide behavior expectations. When we observe them being safe, treating others with kindness, trying their best and being respectful, we acknowledge them by giving positive verbal feedback and a 'punch' on their star card.

At the end of each quarter, students who have earned all their stars will be invited to participate in an activity (Popcorn and a movie, game hour, extra gym, recess and crafts).

## Notice of Receipt of School-wide Discipline Plan

The School-wide Discipline Plan has been written so that students and family members know what behavior is expected. It is helpful when parents are aware of school rules so they can help support our school from home. Please sit down and talk about these rules with your child(ren).

Failure to return this notice of receipt will not relieve students or parents from the responsibility for knowledge of the Al Ihsan School-wide Discipline Plan.

I have read the Al Ihsan School-wide Discipline Plan and discussed with my family.

I understand my child is responsible for abiding by the Al Ihsan School Department Code of Student Conduct as well as the Al Ihsan School-wide Discipline Plan.
