## PRAYING FOR ONE ANOTHER:

Maryburgh & Killearnan

Minister: Alec Stewart

The church is located in Maryburgh, 2 miles south of Dingwall. The parish also covers the south part of the Black Isle from Muir of Ord to Tore

### Prayer Points

- Maryburgh is the only church building in the village. The building has recently been renovated – please give thanks for this renovation and pray that the building will be used for intentional mission.
- Rev Alec Stewart has joined the Generation: Church Development Track. Pray that ideas and networking opportunities which are presented in the track will further the mission of the congregation.

Hope Church, Blackwood & Kirkmuirhill

Minister: Ian Watson

Our church family live in rural South Lanarkshire, centred on the villages of Blackwood and Kirkmuirhill. The age spread of our church is weighted towards the elderly, but we also have a number of younger people, couples and families. We recently refurbished our building which is used by and for the community during the week. Our communities are a mixture of social backgrounds, with a commuting culture but also significant deprivation.

### Prayer Points

- Give thanks for the many members who are well known members of the community and who are involved in wider community events.
- The church building has been renovated and is in a prominent position in the village. Give thanks for this provision and pray for even greater mission impact.
