Hello Joe,

Thank you so much for helping Abhay and I in acquiring the SBA loan. It was a rocky road, but with your help and guidance it made things easier. I would definitely recommend other people to seek your guidance in acquiring the SBA loan. My husband and I are very happy in getting the loan to purchase the business of our choice. Joe has very good contacts and gets work done in a timely manner and helps throughout the whole loan process. Joe is also very organized and responds promptly. Thank you Joe and his co parts for all the help and support.

Thank you,

Gesu Shahi and Abhay Singh
