

**Thomas A. Wyatt Jr. - Class of 1973**

“Just thankful to have been a part of the Class of '73.”

**Southeast Memories**

I enjoyed socializing at school, and graduating is my most vivid memory.

The classes I remember are art, gym and biology. As I look back at those times, art class was my favorite because it taught me how to express myself in a different way.

During high school, my family lived at 6202 Olive. Vivian, Donald and Josephine Wyatt are also Southeast graduates. Outside of school, I kept busy with part-time work.

**After Graduation**

I went into the Army. I would say that my life's work has been to be a good parent for my girls.

To my fellow Southeast graduates: Live life to the fullest.
