Last Week's Run Report

**This weeks run report. Hare; Rusty Nuts
Yummy food by Taurus Hawkers**

Location ; Collins Rd Willetton

Spooky Encounters In Willetton or Where Is Ahsup - LOST ???

A jolly group of Hashers gingerly congregated in a carpark outside numerous eating establishments. It was a bit of a game of "Hash Car ...!" as we tried to hold a space for the splash car Many Hashers were resplendent in spooky Halloween clobber which added to the confusion and caused stares & smiles !

Nevertheless, the Hare gave run instructions, waved in a general direction and set us all off on a quest to find the drink stop. As usual, Rusty had set a very well marked trail so, despite a few false trails/checks, most Hashers found it an easy to navigate.

However, there was a bit of trickery on the trail which included some hiding in bushes and an interesting lot of spongy stuff on the bench in the park at the drink stop. The Hare assured us he had not created this mass of leaves and mouldy sponge, so maybe it was a "spooky goblins nest"? Replenished by the beverages (which, once again, ran out) everyone ended back in the carpark.

The circle voted it a good run with reasonably high marks. There was a SURPRISE RA who instantly went into charges for all and sundry - he was quite bold with some of his banter but as we were having nosh (and the smells from the various eateries were making us all hungry...) we ended the night on the usual note (a bad one !!!)
