'Wow' what a beautiful gentle man of God

*He never wanted to move to Spain but came as an obedient Servant of God. Ron lived on Camposol 'A' for only a year before he was taken 'Home' but what a year that was for him, us and those that knew him. He soon established himself in the community and wherever he went his gentle nature touched those around him. He had a wonderful sense of humour, zest for life and a twinkle in his eye - he was a man who walked daily with the Lord and through this he and others were blessed. He was very active and loved his sports, playing tennis (once being a professional coach) and table tennis until his health failed - he also loved dancing and I (Amanda) had the pleasure of Jiving with him last Sept. He attended Olive Branch Christian Fellowship and brought many weekly 'Wows' due to his love & glory in Jesus Christ. He will be missed by the congregation but we re-joyce because we know where he is and with whom. Upon the arrangements of his death, we were at a lost due to the culture differences but thank God for Tony Smith, "Golden Leaves" who took control of all the legalities and within hours had Ron moved from Cartegena Hosp to Mazarron 'Tanatorio' - things in Spain are very different and when emotions are flowing it all becomes confusing - we yet again thank Tony for his outstanding professional conduct and urge all, if not already done so, to take out a Funeral Plan, (due to our experiences we have done just this) because we never know when our last breath here on earth is drawn. We know as Ron drew his last breath here his first was taken in Heaven and he now is in a greater place, no more*

*pain/misery but joy everafter and this is why we are at peace and do not mourn but re-joyce for he is now singing his songs in Paradise. We mention this as Ron recently put beautiful words to the tunes of 'Somewhere Over The Rainbow': "One day we'll be with Jesus, When destiny calls, One day we'll be beside Him sharing his love and joy.... and similar to 'She'll Be Coming Round The Mountain' - "We are here in the presence of the Lord (repeat), When we've been through it all, We'll hear that final call, Here in the presence of the Lord" - Did dear Ron know something we didn't, was he trying to tell us he was soon to be with Jesus ?? We had great delight in singing these at his 'Celebration of Life' service, along with his favourite hymn "Here I am Lord, is it I Lord, I have heard you calling in the night, I will go Lord if you lead me....."*

*We would like to thank each and every one of those who helped us unscramble the Confusion at this time, from the Translators/Estate Agents/Insurance Co's etc and to those neighbours/friends and Christian Bros/Sis who were their for Ron, his family and us... Life holds many blessings of which friendship and love is the most fulfilling, it really is that simple and what we are all looking for without realising !! We like Ron have the best friend ever "Jesus", who holds the key to our deepest souls, without Him our lives are empty and it is only through Him that we find completeness/wholeness and purpose to life - ask anyone who knows Him they'll tell you so. Also ask yourselves why was Ron the man he was*

*with such love and peace in his heart ?? - if you not yet realised, we'll enlighten you, it was because he knew our Wonderful Saviour Jesus Christ and you can too.... Ron our dear brother in Christ and friend - we knew you for such a short while but you impacted our lives so deeply - it was an honour, privilege and blessing to have known you and we look forward to seeing you again, where at the 'Pearly Gates' you'll be waiting for us with outstretched arms saying 'Wow what took you so long my friend'.*

*In loving memory from William & Amanda D'Arcy Nassau <>< your family who loved you deeply, and for all those whose presence you blessed...*
