**KABOT ON THE BALLOT FOR SUFFOLK COUNTY LEGISLATOR
CAMPAIGN SEASON 2019 BEGINS ...**

Linda Kabot, the designated candidate for the Office of Suffolk County Legislator for the 2nd Legislative District on the Republican and Conservative lines, issued the following statement regarding her nomination and placement on the November 5 General Election ballot:

“I am truly grateful for the opportunity to offer my candidacy for the position of Suffolk County Legislator. I express my sincere thanks to the 1275 registered voters who signed petitions to confirm placement of my name on the ballot for the Republican and Conservative party lines for the November 5 General Election. It’s an honor to be the recipient of their confidence as I too share the voter’s desire to restore fiscal sanity and responsive leadership in County government. My track record in public service is one that demonstrates fiscal prudence, cutting wasteful spending, and advocating that government has to live within its means just like the hard-working families of Suffolk County have to do,” stated Kabot.

“I’m proud to stand with County Executive candidate John Kennedy and the rest of the Republican ticket to bring back common sense and principled, values-based leadership for Suffolk County. I offer voters my strength of character and nearly 14 years of local government experience at the executive and legislative level. As former Southampton Town Supervisor and Councilwoman, I have worked hard to protect the interests of taxpayers and to foster the ideals of good government in all decision-making. I hope to earn the public’s vote of confidence on Election Day to place me into the South Fork’s legislative seat to be a more effective voice for the people from Moriches to Montauk,” stated Kabot.

The 2nd Legislative District is comprised of the Towns of Southampton, East Hampton, Shelter Island, and a portion of Brookhaven Town.
