A NEWSLETTER of End-Time Intercessory Prayer Ministry

"In all the work you are given, do the best you can. Work as though you are working for the Lord, not any earthly master. Remember that you will receive your reward from the Lord, who will give you what he promised his people. Yes, you are serving Christ. He is your real Master." Col 3:23-24 (ERV)

HAPPY BIRTHDAY ETIPM	4

There have been great longings to see the promises of God fulfilled on the behalf of His people. We believe, to the best of our abilities, we have tilled the soil to the code given to us in God's Word, we have planted, the Holy Spirit has faithfully watered our seedlings and now, by faith, we also believe that a bountiful harvest awaits us. But many would say wait, the harvest has already started, and many of the sheaves are currently being gathered. That is an absolute fact! But to that I'd say it is still a partial portion of the sheaves that have made it so far into the barn. The window of Heaven is about to burst open to pour out upon those who have prayed a little longer, trusted a little longer, linger at His feet a little longer, and have purposely stayed the course, "the exceeding abundantly" that Paul, the Apostle, talks about in Eph. 3:20 stating: "Unto Him that is able to do exceeding abundantly above all that we ask or think, according to His power that is at work within us."

We have learned from multiple sources that 2016 was a Jubilee year, however, through many other

credible sources, including Steve Cochran, Evangelist Perry Stone, Dr Cindy Trimm, etc., we have also learned that the upcoming year 2017 is a very special year. In fact my research yielded that the year 2017 to be the "SUPER JUBILEE." Dr Trimm qualifies 2017 (from the Gregorian Calendar) and 5777 (from the Jewish Calendar) to divinely and prophetically coincide to give us that Super Jubilee year that we have hoped for in 2016. Let's be clear, there is no way that our prayers for 2016 are wasted. Could it be that all we had prepared and worked for in 2016 was really scheduled for 2017? Regardless, of anyone's stand, we know that God knew all along what He had planned for us, whether 2016 or 2017. Our Father is faithful and will never forget the prayers that are before His throne day or night in that bowl of incense. Now we know the Holy Spirit has been fanning the flame and the fragrance that rises up before the Father truly means that He cannot and will not forget our labor of love, namely our effectual fervent prayers. God already promised us that those prayers avail much

before Him." Thank you Father that we have nothing to fear! Even when the promise tarries, Lord, we choose to patiently wait for it. If God says it, we must make it our duty to unwaveringly believe it. For His Word says that God is not a man that He should lie nor a son of man that He should change His mind." Regardless of what the Gregorian Lunar Calendar or the Jewish Solar Calendar might say, our God never got neither calendar wrong in the first place. Let's continue to trust Him unwaveringly at all levels. For He is more than able and has been more than faithful.

Take time to watch these three YouTube videos (Steve Cochran, Perry Stone, and Cindy Trimm) covering a study of the Jubilee Year in the light of our Gregorian and the Jewish calendars to better understand the above article.

Looking Back To Successfully Look Forward

“As humble vessels, we are ready for whatever He has in mind to do in us, through us and with us. As for now, we know that we need to get recharged as we get plugged back into our Heavenly Source, keep our frequency properly lined up so we don’t miss out on anything or pass anyone one by that He intends to use us for. .”

Overall, the Year 2016 was a much anticipated year in ETIPM’s world. The ministry started out with a very special annual 40-day fast, seeking God’s favor on what was previously thought to be our Jubilee. For those who have kept a prayer journal, they can look back to recount the story of a God who continues to amaze His children in the most amazing ways. God’s answers on things that we had forgotten having prayed about continue to pop-up and we have not been able to contain our amazement.

Outside of our regular Fridays’ fast, we have held several 24-hour fast, as led by the Lord, covering several topics of great interest, both on a personal and global levels. The first one was a few months after our 40-day fast; whereby God instructed Minister Brenda to host a 24-hour fast on my behalf (MRD) and which was held on Friday, April 15. The next month, on May 27, we held up another 24-hour vigil for those with immigration concerns. On July 29, we fasted for Haiti as we looked to our Heavenly Father to protect the land from those who avail themselves to be used by lucifer to keep the country in her current deplorable state.

Then, we were faced with the challenge of finding a venue for the God-ordained 2016 Prayer Conference, and which we felt so strongly in our spirit needed to happen as close to August as possible. Since the Lord was leading us to hold it in Spring Valley, NY, we assigned the task to each of our members from Spring Valley (Elder Barbara, Minister Brenda,

Evangelist Smith, Missionary Edwards, Sister Fiona) to look into different venues in the immediate area. Eager to see God’s will done, the team got together each week for updates as we moved to the next levels of the process and until, eventually, Elder Barbara connected us with Gracepoint Gospel Fellowship, in New City, NY. This was a pure miracle due to the timing and the extremely short notice. We’re grateful to Pastor Carl and Past Floyd who so graciously embraced our vision and would only accept a donation towards a ministry that they’re connected with. It was God’s favor at work since we wouldn’t have the funds to pay the fees. We were also able to connect with the speaker on that very short notice and those who came from far and near to attend the prayer conference. What a blessing it was at all levels, as God moved in our midst to honor our efforts! It was also great to see everyone from the immediate areas and to have Sister Marie and Arlene with us. As the Lord inspired us to include the Jewish communities in our list of prayers, we were introduced to two beautiful Messianic-Jewish servants, from the Spring Valley area, namely Sister Sarah Lee and Brother Dennis Siegel. From that conference, God also connected us with several of the saints from Gracepoint, namely Deaconess Marcia Thomas, Sister Beatrice Honorius and those that visit us periodically. We thank God for Elder Barbara’s obedience! Our God is truly awesome!

As the country was being drawn

into deep political confusions through the election campaigns of Donald Trump and Hillary Clinton, we felt the strong urge to call a 24-hour fast on Friday, October 28 so God would have His final say over the future of America’s presidency. The Thursday prior to that fast, October 27, we picked up Brother Paresh Haldar, traveling from Kolkata, India and visiting the United for a very first time to attend a leaders’ conference in New York City. Brother Paresh was able to participate with us right here from his hotel room in Connecticut. The Saturday that follows, on October 29, the saints from Spring Valley and Connecticut met at my home in Connecticut to meet and fellowship with Brother Paresh for the very first time. Shortly after the gathering, Paresh left for Pennsylvania to visit his friend and eventually return home the following week.

Now that the elections are over, a new president is elected, and as we are getting ready to start a new year, we start looking to our Heavenly Father for what lies ahead for us individually and corporately. As humble vessels, we are ready for whatever He has in mind to do in us, through us and with us. As for now, we know that we need to get recharged as we get plugged back into our Heavenly Source, keep our frequency properly lined up so we don’t miss out on anything or pass anyone one by that He intends to use us for. We say “Father, we’re ready to once again make You our top priority for 2017 as we celebrate our ministry’s 10th Anniversary. We cannot claim to have always pleased You, but we’re determined to let You have Your way as Your Holy Spirit leads the way.” Amen.

The Priceless Gift - by Sister Trish

You are right! His Name is Jesus Christ and that Name is above every other name in this whole world and the world to come. I will attempt to number a few stepping stones that can build us up to the next level in our walk. (1) Jesus Christ has given us an inheritance through the power of that Name more than we can imagine. (2) The Bible is full of God's promises for the

righteous. Yes, we are the righteous and Isaiah 32:17 tells us that the work of righteousness will be peace, the effect of righteousness, quietness and assurance forever. Wow! What a promise! As we meditate on this scripture, we will go deeper into the finished work at the cross. It will take us all the way back to the Throne of God where victory is at rest and in His hands

we have been given that same victory to all that believe. Our righteousness was bought by the blood of God's Beloved Son! It's a priceless gift that cannot be hidden anymore. This gift cannot be attained by our works, it is simply by believing and receiving. Let's learn more of Him and be conscious of how we should reign in this life. The power that has been given us and the revela-

tion of Christ will propel us to live with the Lord's health, favor, peace and victory all the days of our life. Our witness will be not a struggle because our light will shine so brightly it will attract people in darkness and the ones that used to be in the light, but lost their way. Let's continue to walk in love and forgiveness and give Him all the Praise that is due His Name.

PLEASE SPREAD THE WORD!
