Southeast Memories

The teachers I remember most are Miss Webb and Sgt. Storm. I participated in ROTC.

Some of my most vivid memories are of people, Swope Park, talent shows and ball games.

During high school, my family lived at 3817 East 61st Street. I have brothers and a sister who also attended Southeast.

- Rhonda - sister
- Rick - brother
- Kevin - brother
- Michael - brother

Away from school, I spent time motorcycle riding.

After Graduation

I worked at KCP&L and raised a family.

To my fellow Southeast graduates, "Stay in contact - we all get older - and feel good where you came from."
