## Same Day Denture Repairs. Overnight dentures are repaired and shipped back to you within 2-4-hours from the time they

are received byus. (Monday - Friday). Dentures received after 1pm will ship out next business day. Order / Check Status: 1-888-589-7487 My denture will be examined upon arrival, and 1 will be contacted first if additional repair is needed. If my denture cannot be repaired, I understand my denture will be delivered to me free using standard delivery stated on UrgentDentureRepair.com including an evaluation repair. All denture repairs include a free evaluation, requested repair, and 30-day warranty on the repair. 30-day warranty: I will provide Urgent Denture Repair with a copy of my proof-of-purchase along with my denture for repair. Extended warranties begin after 30-day repair warranty expires. Same applies to extended warranty,
