SOUTHAMPTON & EAST HAMPTON REPUBLICAN CAMPAIGN KICK-OFF EVENTS

Thank you to all who attended and donated to the 2019 Campaign Kick-Off Events to help raise the necessary funds to get our message out to the voters! We greatly appreciate your support for the candidates running for various local government elected offices, including Town Supervisor and Town Council, Tax Receiver, Town Justice and the very important Town Trustee positions on the East End of Long Island. The General Election is November 5. At the top of the ticket for local government is the County Executive position, and we are proud to support the candidacy of John Kennedy, who is running on the Republican, Conservative and Independence lines on the November 5 ballot. John Kennedy presently serves as County Comptroller and he is A PROVEN LEADER who will change the ill-fated direction that Suffolk County has been headed under Big Tax Bellone's administration. As our next County Executive, John Kennedy will bring fiscal solvency, affordability, and service back to the forefront of government, working with more effective, fiscally-conservative County Legislators with your vote of confidence on Election Day – **VOTE LINDA KABOT - COUNTY LEGISLATOR FOR THE SOUTH FORK LD#2**
