

# FOR IMMEDIATE RELEASE

**The Canadian PPE Network**

PSWs Partnering Everywhere®

Keeping the Care in HealthCare

**May 1st, 2020**

**ATTENTION: All PSWs and Frontline Healthcare workers in Ontario & Canada**

**2020 has been a hard, dark year for Personal Support Workers and Frontline Healthcare workers during the COVID-19 Pandemic.**

**2020 is also the year for PSWs to be recognized as they should be.**

**We are pleased to announce that our non-profit has been recognized as an authentic Network in support of PSWs. Therefore, this PSW Day, May 19th, PSWs will be honoured by The Canadian PPE Network with a Special Illumination of our colours (green and blue) at one of the most iconic National Monuments in Canada: Niagara Falls!**

**We at The Canadian PPE Network, our partners and sponsors thank you for the sacrifices you make every day to keep the care in Healthcare.**

**We want to give a very special thanks to The Niagara Falls Illumination Board for their show of support for PSWs and frontline Healthcare workers across Ontario and Canada.**

*Please note: Niagara Parks are closed, and we don't advise visiting the location at this time. Should you choose to view these events in person, you must adhere to social distancing protocols and in no way is Niagara Parks, The City of Niagara Falls, The Canadian PPE Network or their affiliates responsible for any liabilities that may be encountered.*

**Stay safe, stay healthy.**

**Kindest regards,**

A handwritten signature in black ink, appearing to read 'Lynn Steele', is positioned above a solid green horizontal line.
