Dear parents and families,

We are pleased to share some good news in regards to Child Care subsidies.

As of August 1st 2020, the Alberta Government increased the subsidy rates and, in turn, we were able to lower the parent portions.

The new parent portions, for full subsidy, are as follows:

Age Group	New Parent Portion
OSC	\$220
Preschool	\$230
Kinder	\$230
Toddler	\$250
Baby (19 months - 2 y/o)	\$280
Infant (0-18 months)	\$320

This is a most needed relief for our families and centre. The last few months have been very challenging for everyone and this will help us to get back up again.

In addition, we would like to thank our parents and children again for continuing observing the new sanitary procedures. The health and safety of our children and staff are our top priorities.

Last but not least, we have decorated the ceiling titles in the kinder and baby rooms, check them out!

Take care,

Fort Road Day Care & OSC
