Transforming urns into LoveUrns®

LoveUrns, LLC. is driven by Love - love for craftsmanship, love for quality, love for memories, love for creating the finest urns. LoveUrns® are produced in our own, well equipped and modern factories in Asia, using the best available raw materials, and combining the trusted hand-craftsmanship of our master craftsmen, to very high quality specifications. Each product is hand-polished and hand-inspected with loving care, before being packed. Look for our holographic LoveUrns® seal, ensuring you have an authentic LoveUrn.

LoveUrns® are more a reflection of Love, than mass production

LoveUrns® is the first global brand of metal cremation urns. Having our own production facilities means that we can guarantee LoveUrns® are handcrafted to the absolute highest standards of production, engraving, finish, and durability, with great attention to detail. Although our focus is on producing the highest quality urns for our customers, we never lose sight of our responsibility, to be a good neighbour to the communities in which we operate.

GlossCoat™ Protection

LoveUrns® are protected with GlossCoat™ a thick layer of transparent PU based lacquer, and electroplating process, which protects them from the elements and preserves the beauty and brilliance.

Signature Velvet pouch and Velvet boxes

All Adult LoveUrns® and Tealights come with black velvet pouch with gold string, whereas keepsakes are packed in velvet boxes, with our gold heart logo.
