

Virus vs Test

We are aware of the pandemic that has paralyzed this world.

So, let's get started with this question.

Coronavirus (COVID-19) – Is it a Weapon of Mass Destruction (WMD) or a Test from GOD?

Over the last several months, we have speculated and debated about COVID 19. We have heard the story about the Chinese government/scientists working on animals, nevertheless is it the real story.

Was the Chinese government preparing a weapon of mass destruction that went bad? Here is the OOPS part! The virus spread rapidly and the government was unable to react and work on an antidote (cure).

We know the story about Europe and Italy and now COVID-19 has hit the United States.

Now we (Christians/Non-Christians/All others) are calling the pandemic a “Test from GOD”. When the pandemic was in China, Europe & Italy, it was their problem. Something is not right with this mental picture!

GOD created this universe (he didn't leave out China, Europe and Italy, just saying) and gave man dominion over the earth. However, we have not been taking good care of God's creation.

Man, we are experiencing the really bad news now! (i.e. shelter in place, no socializing, wash your hands, mental fatigue, my kids are not in school 😊 etc); however here is the good news.

2 Chronicles 7:14 (NKJV), it reads – If my people who called by My name will humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and will forgive their sins and heal their land.

Micah 3:11 (NKJV), Yet they lean on the Lord, and say “is not the Lord among us” No harm can come upon us.

There has always been evil in the world, but GOD!

Here is an important facet, please be ready.

Micah 6:8 (NKJV), it reads, He has shown you, O man what is good: And what does the LORD require of you

But to do justly

To Love mercy

And to walk humbly with your GOD.

Let's humble ourselves, become obedient to his word, start loving (don't wait until a pandemic to call someone, instead of texting or social medial), and cast all our fears/anxiety to our Lord and Savior. Enjoy the commentary.
