

Small Service Project Challenge 2019

The intent of the challenge is to increase the number of completed small service projects for the year. A secondary benefit will be to use some of your stash so you have room for new fabric. We have kits made up that you are welcome to use, or you may use your own fabric. There are two parts to the challenge.

Pillowcases

For each completed pillowcase turned in your name will go in a drawing to be held at the September day chapter meeting. There will be two prizes awarded, one to the person whose name is drawn, and another to the person who turns in the highest number of pillowcases.

Quilts

For each completed quilt turned in your name will go in a drawing to be held at the September day chapter meeting. Each long arm quilter who quilts one of these quilts will also go into the drawing. There will be three prizes awarded, one to the person whose name is drawn; another to the person who turns in the highest number of quilts and a third to the long arm quilter who quilts the highest number of quilts. Beginning with the April meetings there will also be a mini drawing for all quilts turned in that month for a fat quarter. In order to track this, it is important that you give your name and/or the quilter's name when turning in quilts.

Approximate sizes for the quilts:

Bereavement	24" x 24"
Baby	30" x 36"
Lap/throw	40" x 48"

We are requesting that you use good quality fabric that you would be happy to give a friend or family member. Fabric with glitter or metallic thread is not allowed. Riverside Hospital will receive bereavement quilts, baby quilts, and throw quilts for their chemo and NODA patients. CHKD will receive bereavement quilts and baby quilts.
