GPA: 3.0

Season Stats: 3 Int's 8 PBU's

Video from Workouts:

Coach Evaluation: "Zion came to iDareU last year and train with our DB group. He previously spent most of his time training as a receiver. Zion has tremendous hands, and we frequently praise him about his hands. He's a competitor and will be a force in this game if he continues to work on his craft. It's a pleasure working with him and I look forward to see what noise he makes in the future"
